REQUIREMENTS

Any person who sells an underground storage tank (UST) or an aboveground storage tank (AST) system must:

- Notify the Department of transfer of ownership by completing this form and returning it to the Department within 30 days from the date of transfer,
- Provide proof of transfer of ownership of the system by signing this form,
- Provide the name and address of the new system owner to the Department.

Any person who receives ownership of a UST or AST system under the above conditions must:

- Provide proof of transfer of ownership of the system by signing this form,
- Complete and return either ADEM "Notification for Underground Storage Tanks" form #279 and/or "Notification for Aboveground Storage Tanks" form #283. (These forms are available at www.adem.state.al.us or may be obtained by calling the Groundwater Branch phone number listed above.)
